

YPLC Vision & Plan

We recognize the incredible potential of our membership and we fervently strive to cultivate and foster the business and civic leaders of both today and tomorrow. Ultimately, we will create more productive and influential members of society. To meet this end, we have implemented a number of programs that are diverse in nature but work together to accomplish our greater goal.

- Social Networking
- Professional Development
- Community Outreach

YPLC MISSION

The Young Professionals of Leavenworth County Organization seeks to provide a minimal cost opportunity to assist individual and corporate members of the business and civic community prosper through Social Networking, Professional Development, and Community Outreach programs. We specifically aim to cater to those between the ages of 21 and 45, but welcome all “young minded” individuals who desire to support the tenets of the organization.

YPLC meets the 13th of each month at various locations. Visit our website for details!

YPLC gives professionals an opportunity to...

- Meet regional business leaders and political figures of today and tomorrow
- Interact with other young professionals in Leavenworth County
- Improve networking skills and advance careers in order to promote their businesses and themselves
- Gain leadership experience through committee and board involvement
- Enjoy discount benefits from our corporate members at some of your favorite local businesses!
